HOW TO BUY THE POLICY

Before buying the **policy** you need to think about:
What type and level of cover you need, including optional extras?

- Whether you're eligible for cover?
- Where you're travelling to?
- What **excess** will apply to claims under your **policy**?
- How much the **policy** will cost?
- What if you change your mind?
- What if you have a complaint?

TYPES AND LEVELS OF COVER

You need to choose who will be covered and the level of cover you need to suit your travel plans.

Level of cover

Pro Ski:	What's Included
Overseas	All Sections of the policy.

Am I eligible for cover?

Applicable to all plans:

- Australian residents who are eligible for a Medicare Card can purchase these covers if your **journey** commences and ends in Australia.
- You are a **professional** skier
- you are 64 years of age or under at the time the **policy** is issued.
- you purchase the **policy** before leaving the station, airport, port, terminal or motor vehicle rental agency from which your trip is scheduled to commence.

WHO WILL BE COVERED?

The cover type provided under this product is Individual cover, which covers you only.

See the **Table of Benefits** for a summary of the benefits and limits offered by each type and level of cover.

WHERE ARE YOU GOING?

When you apply for the **Policy** you need to tell us where you are travelling to. The premium you pay for the **Policy** depends on your destination/s.

The **Policy** only covers losses, injury or **illness** which occurs in the countries you have told us you will visit; however all stopovers of up to 2 nights in countries other than the USA are also covered.

NB. We'll cover you for stopovers in the USA if you also nominate USA as a destination when you apply for cover. Cruises: If you're going on a cruise, you must tell us every country the ship will visit. You will not be covered in countries you have not told us about.

DO I NEED OPTIONAL EXTRA COVER?

HIGH VALUE ITEMS

Luggage and personal effects are covered under all plans; see cover (see Section 11), but individual limits apply to each item. You can purchase up to \$5,000 additional cover for **high value items**, other than jewellery, bicycles and watercraft (excluding surfboards) by listing each item and its value when you apply for cover.

PRE-EXISTING MEDICAL CONDITIONS

Please refer to our Pre-existing medical condition process on pages 16 & 17.

WHAT LEVEL OF EXCESS DO YOU PREFER?

If you make a claim under Sections 2, 2A, 9, 9A, 10, 11, 13, 16, 18, 19, 20, 21, and 22 of the **policy**, we will deduct an **excess** from the amount payable to you. You can select your **excess** when you apply online. You cannot remove **excess** on policies.

WHAT DOES THE POLICY COST?

We'll tell you the premium payable for your **policy** when you apply for cover. It will be based on a number of factors including your travel destination(s), the length of your **journey**, the level of cover and **excess** you choose, the number of people covered, your age and any optional extra cover you select. It will also include some government charges and taxes (e.g. GST).

CAN I CANCEL THE POLICY?

If you change your mind, you can cancel the **policy** within 14 days of the date we issue your **certificate of insurance** and PDS. You'll receive a full refund of your premium as long as you haven't started your **journey** and you haven't and don't want to make a claim on the **policy**.

You can also cancel the **policy** any time after the 14 days, but if you do, we won't refund any part of your premium.

COMPLAINTS

If you have any concerns about the **policy** or the insurance services you receive, see the Complaints Procedures on page 23.

HOW TO BUY THE COVER

This part of the PDS explains:

The period for which you're covered and the circumstances in which you can extend your **policy**;

What the **policy** covers; and

Exclusions and conditions that limit what you're covered for under the **policy**.

PERIOD OF COVER

HOW LONG YOU'RE COVERED FOR

The earliest that cover under the **policy** starts is when we give you a **certificate of insurance**. This confirms the period for which you are insured.

Importantly:

- Cover for Section 13 - Cancellation Fees and Loss of Deposits starts on the date the **certificate of insurance** is issued.
- Cover under all other Sections starts on the first of the travel dates shown on your **certificate of insurance**.
- All cover ends on the earlier of the date you return **home** or the last of the travelling dates shown on your **certificate of insurance**.

EXTENDING YOUR POLICY

You can extend your **policy** free of charge if your return to Australia is delayed because:

- A bus line, airline, shipping line or rail authority you are travelling on, or that has accepted your fare or **luggage and personal effects**, is delayed; or
- An event has occurred that we have confirmed is claimable under the **policy**.
- If either of these happens, you must tell us about the delay as soon as possible. Your **policy** is not extended until we have agreed to do so.
- To extend your **policy** for any other reason, you will need to apply to us at least 7 days before your **policy** expires. We may extend cover for up to 12 months if you pay the additional premium.

To extend your **policy**, call us on + 61 2 9235 0222, email us at info@ski-insurance.com.au

If we extend your **policy**, we will issue a new **certificate of insurance**.

WE WILL NOT EXTEND THE POLICY

- for any **pre-existing medical condition**, unless it is automatically covered (see page 16) and you have not been hospitalised (including day surgery or emergency department attendance) for that condition in the past 12 months (regardless of whether your **pre-existing medical condition** was covered under the original **policy**); or
- for any condition you suffered during the term of the original **policy**; or
- if you are aged 65 years or over when you request the extension.

WHAT THE POLICY COVERS

The **policy** provides 22 different types of benefits.

BENEFIT LIMITS

The **Table of Benefits** at page 2 shows:

- Whether the benefit is included in the level of cover you have selected.
- The maximum amount we will pay for certain types of claims.

LIMITS ON COVER

Although we strive to provide as wide coverage as possible, the **policy** does not cover every circumstance.

The limits on the cover are explained in each Section and also in the section entitled General Exclusions. Carefully read each of these to understand what you are covered for and what is not insured.
